

KS2 Target Setting

Report Description:

This is a target setting report that plots on an end of year target from a pupils KS1 result. This report uses a target setting system based on the end of Y6 target stored in O-Track (e.g. FFT) and also shows the pupils actual summer results. Pupils who go ahead of their 'Expectation' will be set a new target for the following years based on their summer result that exceeded the target. All actual progress is colour coded using a simple traffic light code.

Eg Green = Exceeded Target, Yellow = Achieved Target and Red = Missed Target.

Filter Selection:

School Name: Sample Primary School - Year Group: 5 - Class: All - Subject: Mathematics - Gender: All - FSM: All - SEN: All

UPN	Surname	Forename	KS1 Level	Sub Levels	End of Y3		End of Y4			End of Y5			End of Y6		
					Expectation	Summer Level	Expectation	Summer Level	Original Expectation	Expectation	Summer Level	Original Expectation	Expectation	Summer Level	Original Expectation

Note: The figures in brackets are the original KS2 expectations created by the system based on the systems imported KS2 Expectation i.e FFT, RaiseOnline etc

Pupils are omitted from the list if they have no KS1 Level or no KS2 Target
